

QUIPP ANNOUNCES THE SALE OF ANOTHER FIVE (5) QUIPP PACKMAN PACKAGING SYSTEMS AND OTHER RECENT SALES AND NEWSTEC OFFERS HIGH-PRODUCTION INSERTER

QUIPP recently received orders from the following customers:

The Tampa Tribune, Tampa, FL

- Two (2) Quipp Packman Packaging Systems
- Seven (7) Quipp Model 501W Stackers
- Six (6) Quipp Viper Wrappers with High-Resolution Ink Jet Systems

Asbury Park Press, Inc., Freehold, NJ

- Three (3) Quipp Packman Packaging Systems

The Providence Journal, Providence, RI

- Seven (7) Quipp Viper Wrappers with High-Resolution Ink Jet Systems

The Grand Rapids Press, Grand Rapids/Walker, MI

- Nine (9) Quipp Model 501W Stackers

The Daily Iberian, New Iberia, LA

- One (1) Quipp Off-Press Counter Stacker

The Quipp High-Resolution Ink Jet System can be installed on existing Quipp Vipers

The **Quipp High-Resolution Ink Jet System** uses standard HP-45 ink cartridges. Optional larger ink cartridges are available. The cartridges are disposable and require little

operator attention. Normally you can print a 4" long line with 10% black surface 40,000 times per cartridge.

The height of the text can be printed as follow:

- Four lines of solid 3/8 inch high text each
- Two lines of solid 13/16 inch high text each
- One line of solid 1 7/8 inch high text
- Or a combination of the above options

The Quipp "Off-Press" Counter Stacker is an economic solution that handles a large variety of products.

The **Quipp "Off- Press" Counter Stacker** incorporates heavy-duty side frames, casters with lock downs, adjustable joggles and integral belt tensioners.

The Quipp "Off- Press" Counter Stacker features a new matte top infeed allowing for easy tool-less adjustment of joggles, ideally suited for a large variety of products.

NEWSTEC OFFERS A HIGH- PRODUCTION INSERTER

NEWSTEC provides high value inserting technology. Our program provides our state-of-the-art control technology, **NEWSCOM**, which includes sophisticated demographic targeting capabilities as well as comprehensive reporting, monitoring and diagnostics.

Lubeless Hopper
NEWSTEC is proud to offer lubeless hoppers for existing high-speed inserters. The hopper has been engineered to eliminate over 30 grease points, saving newspapers time and money in inserter downtime and maintenance.

For additional information about our **NEWSTEC HIGH-PRODUCTION INSERTER**, please contact us at (305) 623-8700, (508) 850-7945 or at news@quipp.com
