

QUIPP GETS READY FOR NEXPO & SHIPS NEWSTEC HIGH-SPEED INSERTER TO MEDINA, OH

NEWSTEC

Quipp will install a Newstec SLS-1000® High-Speed Inserter at *American Color Graphics, Inc.*, in Medina, OH.

The system to be installed in March 2006 includes a 16:2 high-speed inserting system and a Quipp Model 501 Stacker.

Planning on going to NEXPO 2006? Make sure to visit our booth #9015. We'll be running a lot of equipment for you!

Quipp will be exhibiting the following equipment:

➤ ***Newstec SLS-1000® High-Speed Inserter & NEWSCom 6 Insert Management Control System***

The Newstec SLS-1000® High-Speed Inserter provides high net throughput production, utilizing NewsCom 6, the latest insert management control system.

➤ ***Quipp-Gripp III Single Gripper Conveyor System***

The Quipp-Gripp III Single-Gripper Conveyor System meets the demands of any newspaper production environment. Its grippers are mounted on an exceptionally strong chain made from Nylafil, a high strength, space age, carbon and glass fiber reinforced nylon composite.

➤ ***Quipp Packman Packaging System***

The Quipp Packman provides the following benefits:

- Bundle ContainmentReduces labor & waste
- Increased PerformanceShortens production window
- Proven Components Reduces maintenance & increases up time
- Smaller FootprintSaves valuable floor space

➤ ***Quipp Model 500C Stacker***

The C Model with a Bundle Compression Capability and a Stream Squeeze Roller, handles thinner products, whether tabloid or broadsheet, with ease. A lift plate on its turntable compresses the stacks, removing most of the air trapped between pages and copies, producing improved bundle integrity.

➤ ***Quipp Viper ¾ Wrapper with High-Resolution Ink Jet System***

The Quipp High-Resolution Ink Jet System uses standard HP-45 ink cartridges. Optional larger ink cartridges are available. The cartridges are disposable and require little operator attention. Normally you can print a 4" high by 5" long line with 10% black surface 40,000 times per cartridge.

➤ ***Quipp Off-Press Counter Stacker***

The Quipp "Off- Press" Counter Stacker features a new matte top infeed allowing for easy tool-less adjustment of joggers, ideally suited for a large variety of products.

**We look forward to seeing
you in Chicago!**
