

Quipp sells an inserter to *Sing Tao Daily*

Quipp received an order for one (1) Quipp IN-LINE Inserter System from *Sing Tao Daily*. The system consists of 6 hoppers (5 into 1).

Installation to commence this summer.

Sing Tao Daily has been a Quipp satisfied customer for many years, having purchased Quipp Stackers, Quipp Wrappers and Quipp Twin-Trak Conveyor Systems.

According to Sing Tao, their Daily newspaper remains the San Francisco Bay Area's most effective newspaper buy for the Chinese market, as verified by two independent research projects.

The **Quipp IN-LINE Inserting System** features patented head technology that handles a wide variety of insert sizes with minimal set-up changes.
