

Quipp sells 4 Packman Systems to the *South Florida Sun-Sentinel* & 20 Vipers Bottomwrappers to the *Orlando Sentinel*

QUIPP PACKMAN

The *South Florida Sun-Sentinel*, part of the Tribune group, purchased **four (4) Quipp PACKMAN Packaging Systems** to replace existing equipment on the output of their GMA SLS 3000 inserters. The equipment will be installed first quarter 2005 in Deerfield Beach, FL.

Quipp PACKMAN: Stack, Wrap, Print & Strap all in one fast, reliable operation

THE QUIPP PACKMAN PACKAGING SYSTEM CAN SAVE YOU TIME & MONEY IN HANDLING YOUR MOST DIFFICULT INSERTED PRODUCTS.

Quipp sells 20 Viper Bottomwrappers (8 with High-Resolution Ink Jet System) to the *Orlando Sentinel*

The Orlando Sentinel, part of the Tribune group, purchased 20 Viper Bottomwrappers from Quipp in October. Eight (8) of them will be equipped with the High-Resolution Ink Jet System.

For the last decade, the *Orlando Sentinel* has been a satisfied Quipp customer.

Installation of the Vipers will start in December 2004 in Orlando, FL.

The Quipp High-Resolution Ink Jet System can be installed on existing Quipp Vipers

The Quipp High-Resolution Ink Jet System uses standard HP-45 ink cartridges. Optional larger ink cartridges are available. The cartridges are disposable and require little operator attention. Normally you can print a 4" long line with 10% black surface 40,000 times per cartridge. The height of the text can be printed as follow:

- **Four lines of solid 3/8 inch high text each**
- **Two lines of solid 13/16 inch high text each**
- **One line of solid 1 7/8 inch high text**
- **Or a combination of the above options**

TIP OF THE MONTH

SAFETY FIRST!

Make sure to forward this important tip to your
Safety & Maintenance Teams.

QUIPP OFFERS LIGHT CURTAIN KITS TO BE INSTALLED ON EXISTING QUIPP STACKERS

QUIPP Series 3400 Newspaper Stacker Safety Light Curtains are designed to prevent injury to an operator who inadvertently extends a hand or other object into the lower operating area of a stacker. A non-visible "wall" of light is directed across the bundle delivery path(s) of a stacker. Should this light curtain be interrupted by any object, the stacker turn-table valve is instantly disabled.

The **QUIPP Series 3400 Newspaper Stacker Safety Light Curtain** is available in kit form for retrofitting onto existing **QUIPP 30X, 35X and 40X Series Newspaper Stackers**. A detailed installation instruction is included in the kit complete with a short, easy to understand installation procedure video.

Safety Light Curtains can also be installed under the supervision of **QUIPP** field service personnel.

For additional information and pricing, please contact our Parts Department at (305) 623-8700 ext. 339 or ext. 348 or at 1-800-345-9680 or at parts@quipp.com.
