

Quipp sells two (2) IN-LINE Inserting Systems to The Calgary Herald, in Alberta, Canada

Quipp received an order for two (2) Quipp IN-LINE Inserting Systems from The Calgary Herald, in Calgary, AB Canada. Each system consists of 13 Hoppers (12 inserts into 1 jacket). The Calgary Herald has been a Quipp satisfied customer for the last decade.

The QUIPP IN-LINE Inserting System has been designed especially to handle production inserting requirements of the small to medium-sized newspaper operations and special inserting needs for larger newspapers.

The Quipp IN-LINE can handle 1/4 fold, 1/2 fold, Tabloid or Broadsheet, with change over in product size accomplished without timing adjustments.

Quipp installed nine (9) Viper Bottomwrappers with High-Resolution Ink Jet printers at The Grand Rapids Press, in Grand Rapids, MI
