

# Quipp wins Sunday Packaging and Distribution Project from The Boston Globe

Quipp received an order for two (2) Quipp Automatic Palletizer Systems (APS) and a Bundle Distribution System with Accumulation Lanes from The Boston Globe as part of their Post-Press Expansion Project for its Morrissey Blvd. Plant.

Utilizing proven technology and quality components, Quipp's Automatic Palletizer System is manufactured in accordance with Quipp's high standards, to assure product accuracy and years of reliability.

Quipp is installing a new Palletizer at the Newark Star Ledger

## Quipp ships Palletizer to Newark Star Ledger in Piscataway, NJ

The Quipp Palletizer wraps the pallet and its load in stretch wrap, in one completely seamless automated operation; it wraps the pallet load as it is built, saving on time and additional equipment; and it requires no slip sheets, producing additional savings on materials.
