

# QUIPP OFFERS WEB REDUCTION KIT FOR YOUR INSERTER POCKET

Quipp now offers a web reduction kit for your inserter pocket.

If you have plans to reduce your web width to 46" or 44", contact the Quipp PARTS Department at (305) 623-8700 ext 339 or 348 and ask about the **Quipp Web Reduction Inserter Pocket Kit (QPN 8720-43223)**.

You can buy the kits and do the work yourself, or you can hire one of our experienced service technicians to perform the work. A detailed drawing with instructions on how to install the parts is included.

This kit might not fit all different pocket designs available in the market. Customer will need to check for pocket design prior to ordering this kit.

Note: Modification excludes any changes that may be necessary to the stream-aligners or pocket.
